

Nashville, TN Antioch High School Shooting

January 23, 2025

A shooting in a Nashville high school cafeteria Wednesday [January 22nd] left a female student dead and another student wounded” Via [AP News](#)

Local Resources

Metropolitan Nashville Police Department

The Nashville Police Department released media statements regarding the tragedy at Antioch High School. They plan to release more information to the public as they continue their investigation. You can find more information from the Police Chief and the department’s spokesperson on their website [here](#).

Mayor Freddie O’Connell of Nashville, TN

The Mayor of Nashville, TN released an update to local news about gun violence and the devastating events at Antioch High School. Any official updates will be presented on the Mayor’s Office website [here](#). Further updates can be found on the Mayor’s social media sites [Instagram](#) and [X](#).

In collaboration with the City of Nashville and Davidson County, the Mayor’s Office published supporting resources for those impacted by the Antioch High School Shooting. For more information, please review the webpage [here](#).

Additional supports include prayer vigils, healing gatherings and community vigils. Gatherings are being held for those who wish to gather in prayer and grieve together. Gatherings are currently being held at Hamilton United Methodist Church and United Family Fellowship.

- Address: 3105 Hamilton Church Road, Antioch, TN 37013

Governor Bill Lee

The Governor Bill Lee released a statement and condolences regarding the shooting at Antioch High School. Official updates will be presented on the Governor’s Office website

Crisis & Disaster Resources

[here](#). Additional updates can be found on the Governor's social media sites [X](#) and [Facebook](#).

Metro Emergency Alert and Notification System (MEANS)

The Metro Emergency Alert and Notification System (MEANS) alerts city and county residents of emergencies. Through this system the state and local officials are able to utilize a single notification system that provides coordination and updates from response agencies. To register and sign up for emergency alerts please visit the website [here](#). The system will email and text residents in the event of a potential or pending emergency.

Additionally, Nashville offers an online interactive map [here](#) of natural or man-made emergencies through a system called **Nashville Emergency Response Viewing Engine (NERVE)**. NERVE's interactive map is a central location for crisis, disaster, and emergency information. Residents can receive and search alerts regarding disasters, weather events, evacuations, shelters, criminal activity, hazardous material, and more.

Tennessee REDLINE

Tennessee REDLINE provides information and referrals for various mental health and substance abuse services in the state. The phone line is open 24 hours a day, 7 days a week.
